Camp

Wyalusing Public Library

Join Professor John at the Wyalusing Library to learn about writing code for computers. We will be using MIT's App Inventor, learning some Scratch programming, and working with a computer controlled robot. If that sounds like your kind of fun, sign up!

Age: 10-14 year olds
Dates: July 30-August 3
Time: 9:00am-12:00 noon
Fee: \$50
Limited to 10 kids

Register by
July 27
